Pierman; travelling agent, salesman. Betrothed. Last in Latvia: 19 June, 1941.  
Arrived in Sweden on 5 May, 1943 in Göteborg by boat "Kangars"-Michael Jautja Fritz/  
From Danzig, Germany. Had a Soviet Latvian passport issued 1940/41 in Latvia.  
Has been in Soviet camp in Sweden "Bagga". According to Ziemelis, the English  
Consulate in Göteborg has sent them to Soviet Consulate in Stockholm and has advised  
them not to register in police, as then he and the others will be sent back to  
Germany. Ziemelis went to Soviet Consulate and then was sent to Soviet camp. His Sov-  
iet passport was kept in Social Styrelsen/Utlänningskommission at that time. It is  
true that it was not the only case when the English Consulate in Göteborg sent Baltic  
to Soviet Consulate in Stockholm when they landed in Göteborg. One must ask what  
kind of people were working in English Consulate in Göteborg during 1941-1945?  
Ziemelis could speak: Latv., German, Norwegian, Swedish. He was suspected by Swedes  
as actually being Russian agent. He was 178 cm tall, dark hair, gray eyes. (T).

Cecilija LAPINS sister FNU BEDRITS died from cancer in 1961. FNU BEDRITS reportedly  
made arrangement to return to Soviet Latvia after she found out she had cancer.  
Both sisters had a plush "summer" home somewhere on the New Jersey coast. It is  
estimated that the a/m home was valued at approx. \$40,000 to \$50,000. The architect  
is Egils HERMANOVSKIS, 36 Radcliff Blvd, Glen Head, Long Island, New York.

In addition to above both sisters had a "massage" salon somewhere in N.Y. According  
to Vija RAKOVICS (?) nee ZARINS, 4038 Latona Ave, Seattle 5, Washington this  
"massage" salon was used as a house of prostitution. Vija had heard this from Marie  
BANKIE, who resides in Detroit, Mich.. One of the sisters reportedly had worked at  
one time a masseuse on the SS United States.

Alfreds BERZINS, Committee of Free Latvia, NYC informed Gunnars MERKOVICS that  
he (BERZINS) suspects that C. LAPINS and FNU BEDRITS may be involved in illegal  
narcotics trade as well.
